Launch of SU-SWAGATAM (Visit India) Mobile APP.

To ease the VISA process, a user friendly mobile app namely **SU-SWAGATAM (Visit India)** has been developed.

2.   Salient features of the newly developed app are given below:-

   i.   The App can be downloaded from **Google Play Store for Android users** and **on App Store for IOS users.**

   ii.   The Mobile App **SU-SWAGATAM** has integrated requisite services enabling foreigners with facilities right from the visa application stage till their exit from the country.

   iii.   Foreign nationals intending to visit India can use the app to fill visa forms (e-Visa & Regular / Paper Visa) and subsequently deposit, along with supporting documents for Regular / Paper visa as per existing practice.

   iv.   The app is also integrated with e-FRRO portal, thereby, facilitating foreign nationals to apply for extension of visa, residential permit, exit permit from concerned FRRO/ FRO.

   v.   **Special services one can avail from the newly developed App:**

   Some additional features have been introduced in the App. By using the App one can avail these features including useful information on utility services like details of touristic places, government agencies, transport agencies, places of entertainment, health service, religious places, lodging, food and shopping etc. primarily aimed to make foreigners stay in India smooth and easy.

3.   In addition, currently, the App can be used for Business, Medical and Medical attendant visas. Users are free to use either of the options i.e. the online portal (https://indianvisaonline.gov.in/visa/Registration -for Regular/ Paper visa and https://indianvisaonline.gov.in/evisa/Registration -for e-visa purposes) or the Mobile App **SU-SWAGATAM** for submission of visa applications and seeking e-FRRO services.
